SECTION 2: INFORMATION TO CONSULTANTS

1 INTRODUCTION

1.1 The consultants are hereby invited to submit a proposal for consulting services required for the assignment named in the attached Letter of Invitation. Consultant's proposal could form the basis for future negotiations and ultimately a contract between the Consultancy Firm and the Executive Engineer (K-3) Bangalore Water Supply and Sewerage Board.

1.2 A brief description of the assignment and its objectives are given in the Terms of Reference (TOR).

1.3 To obtain first-hand information on the assignment and on the local conditions, the consultants may contact The Executive Engineer (K-3), Bangalore Water Supply and Sewerage Board.

1.4 Please note that (i) the costs of preparing the proposal and negotiating for the contract, including a visit to site, are not reimbursable as a direct cost of assignment and (ii) Bangalore Water Supply and Sewerage Board is not bound to accept any of the proposals received by it and reserves the right to annul the selection process at any time prior to contract award, without thereby incurring any liability to the Consultants.

1.5 Consultant have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Client, or than may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.

1.6 Bangalore Water Supply and Sewerage Board's policy that the consultants observe the highest standard of ethics during the selection and execution of such contracts. In pursuance of this policy, Bangalore Water Supply and Sewerage Board:-

(a) Defines, for the purpose of this paragraph, the terms set forth below as follows:

(i) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the selection process or in contract execution;

(ii) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a selection process or the execution of a contract;

(iii) "Collusive practices" means a scheme or arrangement between two or more consultants with or without the knowledge of the Client, designed to establish prices at artificial, non-competitive levels;

(iv) “Coercive practices” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process, or affect the execution of a contract.

(b) will reject a proposal for award if it determines that the Consultant recommended for award has directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the contract in question;

(c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract; and

(d) will have the right to require that a provision be included requiring consultants to permit the Executive Engineer (K-3), Bangalore Water Supply and Sewerage Board to inspect their accounts and records relating to the performance of the contract and to have them audited by authorized representatives of Executive Engineer (K-3), Bangalore Water Supply and Sewerage Board.

1.7 Consultants, their Sub-Consultants, and their associates shall not be under a declaration of ineligibility for corrupt and fraudulent practices. Furthermore, the Consultants shall be aware of the provisions on fraud and corruption stated in the specific clauses in the General Conditions of Contract.

Proposals submitted by the consultants, who were blacklisted or debarred from any government agency or any external funding agency in past 10 years will not be evaluated. An undertaking letter to this extent need to be submitted by the Consultants as part of their Technical Bid (Part-1)

1.8 Consultants shall furnish information on commissions and gratuities, if any, paid or to be paid to agents relating to this proposal and during execution of the assignment if the Consultant is awarded the Contract, in the Financial Proposal.

1.9 The Data Sheet indicates how long Consultants’ Proposals must remain valid after the submission date. During this period, Consultants shall maintain the availability of Professional staff nominated in the Proposal. The Client will make its best effort to complete negotiations within this period. Should the need arise however, the Client can request Consultants to extend the validity period of their proposals. Consultants who agree to such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal, or in their confirmation of extension

of validity of the Proposal, Consultants could submit new staff in replacement, who would be considered in the final evaluation for contract award. Consultants who do not agree have the right to refuse to extend the validity of their Proposals.

2. CLARIFICATIONS AND AMENDMENT OF RFP DOCUMENTS

2.1 Consultants may request a clarification of any of the RFP documents up to the number of days indicated in the Data Sheet before the Proposal submission date. Any request for clarification must be sent in writing by paper mail, or electronic mail to the Client's address indicated in the Data Sheet. The Client will respond by
Facsimile or electronic mail to such requests and will send copies of the response (including an explanation of the query but without identifying the source of inquiry) to all invited consultants who intend to submit proposals.

2.2 At any time before the submission of Proposals, the Client may for any reason, whether at its own initiative or in response to a clarification requested by an invited firm, modify the RFP documents by amendment. Any amendment shall be issued in writing through addenda. Addenda shall be published through E-Procurement Portal. The Client may at its discretion extend the deadline for the submission of Proposals.

3 PREPARATION OF PROPOSAL

3.1 Consultants are requested to submit their proposal in Two Parts in 2 separate e-envelopes /packages and upload properly through e-procurement portal.

The two parts are:

Part 1: Technical Proposal Part 2: Financial Proposal.

The proposal shall be written in English language.

Proposal submission is through E-Procurement and hard copies are not required to be submitted.

3.2 This submission shall contain all the details as specified in the Data sheet

Part 1**: Technical Proposal**

3.3 Consultant firms are expected to examine all terms and conditions included in the documents. Failure to provide all requested information will be at their risk and may result in rejection of their proposal.

Earnest Money Deposit of the required amount as specified in the Data sheet is to be submitted through e-procurement portal and upload in their Proposal necessary documents.

3.4 During preparation of the Technical Proposal, Consultant firm may give particular attention to the following:

(a) The estimated minimum number of man months for the assignment is stated in the Terms of Reference and Data Sheet for consultant's information. The proposal shall however be based on the number of professional key staff and technical support staff months estimated by the consultant firm and shall not be less than the minimum specified in the Data Sheet. This is a key criteria that will be considered during Technical Proposal evaluation (Stage-1 evaluation)

(b) It is desirable that all the key professional staff proposed should be permanent staff of the firm. The Permanent staff will be considered those employed with the firm for at least 1 year and above.

(c) No alternative to key professional staff may be proposed and only one Curriculum Vitae (CV) may be submitted for each position.

(d) A good working knowledge of the English language specified in the data sheet is essential for key professional staff on this assignment. Reports must be in the language(s) specified in the data sheet.

3.5 Consultant's Technical Proposal must provide the following information.

(a) A brief description of the firm's organisation and an outline of recent experience of the Consultants on assignments of similar nature. The information which consultant shall provide on each assignment should indicate, inter-alia, the profiles of the staff provided, duration, contract amount and firm's involvement.

(b) Any comments or suggestions on the TOR and a description of the methodology (work plan) which the firm proposes to execute the services, illustrated with bar charts of activities.

(c) The composition of the proposed staff team, the tasks which shall be assigned to each and their timing;

(d) CV's shall be signed by the Key Professional and the authorised representative submitting the proposal. Key information should include years with the firm and degree of responsibility held in various assignments. Unsigned CV's by both the expert and firm's authorised representative shall not be evaluated and shall be given a

nil score.

(e) Estimates of the total time effort (person x months) to be provided for the services, supported by bar chart diagrams showing the time proposed (person x months) for each professional staff and

(f) Any additional information requested in Data Sheet.

3.6 The Technical Proposal **must not include any financial information**. A Technical Proposal containing any quoted financial details / bid price will be declared non-responsive.

Part 2**: Financial Proposal**

3.7 In preparing the Financial Proposal, consultants are expected to take into account the requirements and conditions of the RFP documents. The Financial Proposal should follow Standard Forms. It lists all costs associated with the Assignment, including (a) remuneration for staff and (b) rentals/fixed rates/reimbursable such as subsistence (per diem, housing), transportation (international and local, for mobilization and demobilization), services and equipment (vehicles, office equipment, furniture, and supplies), office rent, insurance, printing of documents, surveys, and training, if it is a major component of the assignment. If appropriate, these costs should be broken down by activity and if appropriate into foreign and local expenditures. BWSSB shall pay the applicable service tax.

3.8 The Financial Proposal should clearly identify as a separate amount, the local taxes (including social security), duties, fees, levies and other charges imposed under the applicable law, on the consultants, the sub-consultants, and their personnel (other than nationals or permanent residents of the government's country); unless the Data Sheet specifies otherwise.

3.9 Consultants must express the price of their services in the Local currency (Indian Rupees).

4 SUBMISSION, RECEIPT AND OPENING OF PROPOSALS

4.1 The original proposal shall be prepared and submitted through e-procurement portal.

4.2 The complete Proposal shall be uploaded / submitted on E-Proc website.

4.3 The proposal must be submitted with all pages numbered serially and official seal on the pages along with an index of submissions.

4.4 Consultant's completed proposal must be submitted on or before

the date and time stated in the Data Sheet.

5 PROPOSAL EVALUATION

5.1 A three - stage procedure shall be adopted in evaluating the Proposals:

(i) Eligibility Criteria for Prequalification as stipulated in Appendix-I of Data sheet
(ii) Financial Evaluation.

Technical Proposal – Part 1

5.2 The Executive Engineer (Kaveri) Bangalore Water Supply and Sewerage Board shall carry out its evaluation applying the evaluation criteria and specified in the data sheet.

Financial Proposal – Part 2

5.3 After the evaluation of Technical Proposal is completed, the Client will notify the consultants who have qualified, indicating the date and time set for opening the Financial Proposals. The opening date should allow Consultants sufficient time to make arrangements for attending the opening. The notification will be sent by facsimile, or electronic mail.

5.4 The Financial Proposals shall be opened through e-procurement portal in the presence of the consultants representatives who choose to attend. The name of the consultant and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. The Client shall prepare minutes of the public opening.

5.5 The financial proposals will be corrected for any computational errors. When correcting computational errors, in case of discrepancy between a partial amount and the total amount, or between word and figures the former will prevail. In addition to the above corrections, activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items. In case an activity or line item is quantified in the Financial Proposal differently from the Technical Proposal, the evaluation team shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity and correct the total Proposal cost. The evaluation shall exclude those taxes, duties, fees, levies, and other charges imposed under the applicable law; and those applied to foreign and non-permanent resident consultants.

5.6 The Client shall determine if the financial proposal is complete and without computational errors. The lowest financial proposal shall be considered.

5.7 The Client will select the lowest Proposal (‘evaluated’ price). The Selected Consultant will be invited for negotiations.

6 NEGOTIATIONS

6.1 Prior to the expiration period of validity of proposal, Bangalore Water Supply and Sewerage Board shall notify the successful firm who submitted the highest scoring proposal in writing by facsimile and invite it to negotiate the contract.

6.2 Negotiations normally take one to two days. The aim is to reach agreement on all points, and initial a draft contract by the conclusion of negotiations.

6.3 Negotiations shall commence with a discussion of your technical proposal, the proposed methodology (work plan), staffing and any suggestions made to improve the ToR. Agreement must then be reached on the final ToR, the staffing and bar charts, which shall indicate activities, staff, periods in the field and in the home office, staff months, logistics and reporting. Special attention shall be paid to optimise the required outputs from the firm within the available budget and to define clearly the inputs required from Bangalore Water Supply and Sewerage Board to ensure satisfactory implementation of the assignment.

6.4 It is the responsibility of the Consultant, before starting financial negotiations, to contact the local tax authorities to determine the local tax amount to be paid by the Consultant under the Contract. The financial negotiations will include a clarification (if any) of the firm’s tax liability in the Client’s country, and the manner in which it will be reflected in the Contract; and will reflect the agreed technical modifications in the cost of the services. Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff nor other proposed unit rates.

6.5 Changes agreed upon shall then be reflected in the financial proposal, using proposed unit rates (no negotiation of the unit rates, including the man month rates).

6.6 Having selected a firm, among other things, on the basis of an evaluation of proposed key professional staff, BANGALORE WATER SUPPLY AND SEWERAGE BOARD expects to negotiate, a contract on the basis of the staff named in the proposal and, prior to contract negotiations, will require assurance that this staff shall be actually available. BANGALORE WATER SUPPLY AND SEWERAGE BOARD shall not consider substitutions during contract negotiations except in cases of unexpected delays in the starting date or incapacity of key professional staff for reasons of health.

6.7 The negotiations shall be concluded with a review of the draft form of Contract. BANGALORE WATER SUPPLY AND SEWERAGE BOARD and the firm will finalise the contract to conclude negotiations.

7 AWARD OF CONTRACT

7.1 After completion of negotiations with the consultants, the Client shall award the Contract to the selected Consultant

7.2 Notification on Award of Contract for the Consultant will be made in writing to the successful Bidders by BWSSB.

7.3 The selection of consultant will be at the sole discretion of BWSSB who reserve their rights to accept or reject any or all the Bids without assigning any reason. BWSSB reserves the right to call for additional information from the Bidders consultants.

7.4 The successful firm with whom the Contract is signed is expected to commence the assignment on the date and at the location specified in the data sheet.

8 CONFIDENTIALITY

Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the consultants who submitted the proposals or to other persons not officially concerned with the process, until the winning firm has been notified that it has been awarded the Contract.

9 PERFORMANCE SECURITY

APPENDIX B-4: APPROACH PAPER ON METHODOLOGY AND WORK PLAN FOR PERFORMING THE ASSIGNMENT

Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal divided into the following three chapters:

a) Technical Approach and
b) Methodology, Work Plan, and
C) Organization and Staffing.

(a) **Technical Approach and Methodology**. In this chapter you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.

(b) **Work Plan.** In this chapter you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the Client), and delivery dates of the reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the TOR and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and tables to be delivered as final output, should be included here. The work plan should be consistent with the Work Schedule of Form Appendix-B8.

(c) **Organization and Staffing.** In this chapter you should propose the structure and composition of your team. You should list the main disciplines of the assignment, the key expert responsible and proposed technical and support staff.
